To the Friends of the Cordova High School Band:

The Cordova High School Band, “The Dynamic Sounds of the Wolfpack Pound,” is currently involved to raise funds to replace our fourteen-year-old uniforms for the Cordova High School Band. Our current uniforms have held up very well, yet they are beginning to show their age, and we simply do not have enough for the size of our growing program. Our students are currently involved in fundraising activities, but we can’t do this without **YOUR** help!

The uniform is our band’s identity and brand. We have worked with our design team to develop what we believe shows our dynamic showmanship, while maintaining our traditions and standard in being a superior band. The quality of these uniforms will be second to none. We anticipate this new set of uniforms to serve “The Dynamic Sounds” for another decade if not more.

However, purchasing new uniforms is a costly undertaking. The Cordova High School Band has no outside source of funding. As such, we depend upon the generous sponsorships and donations of individuals like you to assist us in providing the best possible materials for our students. The total amount for each individual uniform is \$425.00. We are asking that you, your associates, friends, or place of business to help us cover the enormous cost of this project. Every uniform sponsored takes us one step closer to supplying our students with the uniforms they deserve!

This band maintains its pride in representing one of the most affluent suburbs in Tennessee. “The Dynamic Sounds” performs for thousands of people every year and strives to represent the true standard of high school bands. Our continuing goal is to provide our students, our community, and our region with the best and most entertaining musical experience possible. See our attached list of accomplishments.

Please review this information and help us make this campaign a reality. Remember, without your help, our students would not be able to enjoy the successful band program they do. Please help us purchase these uniforms by sponsoring as many uniforms as possible or by simply making a donation to the cause.

If you have any questions, please do not hesitate to contact the Cordova High School band office at 901-416-2118. We look forward to debuting our electrifying new uniforms with your help.

Every **tax-deductible** donation is appreciated!

Musically yours,

Roderick N. White, Jr.
